CARLISLE TAM-TAM STICKS

August 2008

Descriptions:

No.1. Soft stick for general playing. 1-inch diameter by 20-inch long wooden handle with dense core. Inner felt lining covered with high-grade synthetic seal skin. Head measures ca. 3.5 inches in diameter and 3.5 inches in length or height. The heft and balance of this stick gets the tam-tam going with deep reverberation and response. Price: \$45.00 each.

No. 2. Medium hard stick where sharper attack is desired on medium to large tam-tams. 1-inch diameter by 20-inch long wooden handle with dense core. Black felt outer covering. Head measures ca. 3.5 inches in diameter by ca. 2 inches in length or height. Price: \$43.00 each.

No. 3. Hard stick for smaller instruments or sharp attack. $\frac{3}{4}$ -inch diameter straight wooden handle with dense core. Overall length approximately 16 inches. Covered with black felt. Price: \$43.00 each.

Options:

1. Wooden handles are finished with multiple coats of finish. For \$2.50 additional per stick, the wooden handles can be stained either walnut or cherry prior to finishing. Mark your order "walnut" or "cherry."
2. I can make any stick either a little longer or shorter than the sizes given above. I strongly recommend the sizes indicated, but can make them at any length you prefer. Note that the length refers to the *uncovered* length of the handle and core. Custom size sticks cannot be returned.

Terms: Postage and Handling (Continental U.S. All sticks shipped insured Priority Mail, 2-3 day delivery once mailed):

You can figure on the following *approximate* costs: any one stick: \$8.00; add \$1.75 for each additional stick ordered. **For U.S. orders, a non-refundable down payment of 25% of the total price (less shipping) should be sent when you place your order. Please make check payable to Ronald C. Carlisle. No down payment is necessary for foreign orders.** I'll let you know about a week to ten days before the sticks are ready to mail and also will let you know at that time what the remaining cost and shipping/handling charges will be. All sticks are made to order, so please allow 3-5 weeks for your order to be made and shipped (although I can often do it sooner than that). Your order will be sent once I have received final payment and your check has cleared. Foreign postage and shipping will be at actual cost. (Please Note: A charge of \$45.00 will be assessed for any check returned for insufficient funds or other problems.)
